Welcome to the Camp Mack Festival!

Thank you for coming today! For almost 100 years, Camp Mack has been providing people a space to be in nature, to deepen connections with God, and to connect with each other. Camp Mack not only hosts Church of the Brethren summer camps, but also camps for several other denominations and organizations, retreats, after school care and weeklong camps during school breaks, outdoor education, weddings, baptisms, and other special events! The Camp Mack Festival is an opportunity for campers (past and present), church folk, and the surrounding community to come together to support and celebrate this vital ministry.

Today's festival has something for the entire family: craft demonstrations, "Wreck-a-Wreck," hayrides, food, music, and children's games. And, I am pleased to announce the brand new Marketplace. Located in the main John Kline dining room, festival goers can browse the camp store, check out auction items, and purchase handcrafts from area vendors. Truly a "one-stop shopping" experience!

This event would not be possible without the hard work of the planning committee and all their volunteers. A special thanks to Todd Eastis, Pam Hollenberg, Kim Walter, Amy Eberly Baumann, Chris Power, Keighdee Spatt, Liz Madriz, and Vanessa Bohannon!

We look forward to seeing you in the coming year as we celebrate Camp Mack's 100th birthday!

With thanksgiving for what has gone before and what is to come,

Wendy Noffsinger Erbaugh
